ELECTION — I elect to exempt the following property that was placed in service during calendar year 2005 from property tax for 2006 and 2007. I understand I forego my right to claim the investment tax credit on this property at any time. Once I make the election, I cannot revoke it. I will be subject to recapture of the property tax benefit if during the five-year recapture period the property no longer qualifies as a qualified investment as defined in Section 63-3029B, Idaho Code.

LOSS IN SECOND PRECEDING TAX YEAR —To qualify for the QIE, you must have had an Idaho income tax loss without regard to net operating loss carryovers or carrybacks in the second preceding tax year from the income tax year you placed the property in service. If you file income tax returns on a fiscal year basis, see the instructions to determine your qualifying loss years. County assessors are allowed to check with the State Tax Commission to verify you had a loss in the applicable year(s).

Provide the ending date of your tax year(s) that ended in calendar year 2005

If you had a short period tax year during calendar year 2005 or during the previous two years, attach a statement identifying your tax year ending dates.

I elect to claim the QIE on the property listed as follows. The exemption for used property is limited. See instructions.
